

# 3/4 HP

## CONVERTIBLE JET PUMP WITH ELECTRONIC CONTROL

	Shallow Well	Deep Well
Pumps up to :	820 US GPH	685 US GPH
Maximum vertical suction lift	25 Feet	70 Feet

 **Water Supply  
Pressure Booster**

 **Shallow Well  
Jet Pump with  
electronic control**

### PUMP CAPACITY

LIFT		LPH	US GPH
Deep Well Operation			
70'	21,0m	800	215
30'	9,0m	2590	685
Shallow Well Operation			
25'	7,5m	1175	310
5'	1,5m	3100	820

Friction loss in pipe not included

**- 1" suction  
and discharge**

**The electronic control  
PREVENTS THE PUMP  
from running dry**

- Cast iron pump body
- 115V motor, totally enclosed fan-cooled
- Bearing to bearing stainless steel motor shaft
- Full time running capacitor
- Stainless steel mechanical seal

**No need for a pressure switch  
and pressure tank.**

Water in  
PUMP SYSTEM
